

POND MANAGEMENT

**For 1/3 to 40 acre ponds,
February 13, 2010**

Struggling to evict scum from your pond? Planning to build a small pond (1/4 to 20 acres in size) on your property? Having trouble with the pond you already have? This class will help you! Individual and /or multipurpose ponds; i.e., fishing, irrigation, swimming, and fire protection will be discussed. Physical characteristics of a good pond, depth, islands, aeration, side slopes, as well as sealing a leaky pond will be covered. Learn the complexities of a pond ecosystem and how to manage them from these knowledgeable instructors.

Real Estate Agents learn how to talk intelligently to your clients about one of their long time dreams.

This will be a fun and informative day. Bring lunch, lawn chair, walking shoes and note pad.

Class Location: 3015 Eaglemont Lane in Lincoln, CA

This is an all day class 9a-3p: \$45 with spouses' free (pay at the door)

AN EXCITING DAY IS PLANNED AND WE HOPE TO SEE YOU THERE!!!
